The International Baccalaureate Diploma Programme (IBDP) is a two-year educational programme primarily aimed at 16 to 19 year olds. The programme provides an internationally accepted qualification for entry into higher education and is recognized by many universities worldwide.

**IB Diploma Programme - Wikipedia**
The International Baccalaureate (IB), formerly known as the International Baccalaureate Organization (IBO), is an international educational foundation headquartered in Geneva, Switzerland, and founded in 1968. It offers four educational programmes: the IB Diploma Programme and the IB Career-related Programme for students aged 16 to 19, the IB Middle Years Programme for students aged 11 to 16 ...

**International Baccalaureate - Wikipedia**
The MYP is a course of study designed to meet the educational needs of students aged between 11 and 16 years. It aims to provide a broad, traditional foundation of knowledge while increasing the student's awareness of the relationships between all subjects and areas of learning.
